the President of the Republic of Korea to Korean War Veterans

Thank You
United States of America

On the occasion of the 60th Anniversary of the Korean War, the Republic of Korea 60th Anniversary of the Korean War Commemoration Committee has various plans to thank, honor and remember Korean War Veterans and their achievements.

One of the meaningful projects is to send letters of appreciation from the President of the Republic of Korea to as many living Korean War Veterans as possible to express tribute and profound gratitude for their service and sacrifice that laid the foundation of peace and freedom that we enjoy today.

We strongly recommend that a Korean War Veteran who wants to receive their letter should fill out and submit an online application form for an appreciation letter from the Republic of Korea President.

A Korean War Veteran not able to submit an online application form can download, print and mail a form to the US Branch of Republic of Korea 60th Anniversary of the Korean War Commemoration Committee.
